DETAILED ACTION

Allowable Subject Matter

This Notice of Allowance is in response to the Decision by the Board on January 26, 2005.

Claims 102-197 and 200-211 are allowed.

Examiner's Statement of Reason's for Allowance

The following is an examiner's statement of reasons for allowance.

This Notice of Allowance is in response to the Decision by the Board on January 26, 2005.

Prior art was found, the Barnett reference, which disclosed the many of the features of the Applicant's claims.

However, the Board found that Barnett did not disclose the utilization of a kiosk. Although Barnett disclosed the utilization of a kiosk for delivering coupons in the Background of the Invention and Barnett disclosed delivering coupons to a computer that can be located anywhere, the Board found that Barnett did not render obvious, for a 35 USC 103 rejection, the utilization of a kiosk as specified in the Applicant's claims and that Barnett teaches away from a kiosk.

Hence, the Board stated that the prior art cited does not disclose the combination of the specific features stated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
